Dear Parents & Students

HOSPITALITY TOOL KIT

As part of the Hospitality course, students will need a **Basic Kitchen Tool Kit**, which will be brought to and from school by the student. They will need the kit to complete their practical competencies and for work placement. Tool kits must be locked if travelling by public transport.

A complete tool kit may be purchased through the school, from Auscater for approximately \$110.00. The order will need to be placed during the fitting of the uniforms in Week 2 of this term. Both the uniform and tool kit will be delivered at the same time. The cost of the uniform forms part of the Hospitality fees. The tool kit will be an additional cost, and will be **added on to school fees**.

If you already have a professional tool kit you are most welcome to bring it in and use it. The kit must contain the following tools: (Commercial standard)

Balloon Whisk
Palette Knife
Chef's Knife – 20-25cm

Piping Bag with large &
small nozzle
30cm Ruler
Scraper
Wooden Spoon

Utility Knife
Melon Baller
Vegetable Peeler
Paring Knife
Pastry Brush

Tool Box or bag &
Padlock

Please note: All items should be identifiable to the student with their names on each piece.

Thank you for your cooperation, looking forward to an exciting and beneficial year of cooking.

Yours in the service of Christian education
