

Application for School Association Membership

Thank you for your interest in becoming a member of the Covenant Christian School Association.

Associate membership is available to all Christian members of the Covenant School Community who subscribe to the Objects (clause 2), Principles (Schedule 1), and Educational Creed (Schedule 2) contained in the Constitution of the Covenant Christian School Association. Your agreement with an additional document called the Covenant Summary Statement of Belief is also an important part of your application. The Covenant Board is responsible for considering all membership applications based on your initial application and interview.

To submit your application please complete this form and return it, together with your Minister/Pastor reference, to the *Covenant Association Coordinator* who will then liaise with the Board to arrange a time with you to discuss your application. If you have any questions relating to this application please contact the Association Coordinator who'll be able to assist.

Information collected may be distributed to other Association Members for administrative purposes.
